

ANGEL ALCHEMY

SESSION 2

BUBBLE CLEARING, THE 4 CLAIRS,
THE ROOT AND SACRAL CHAKRA

Corinne Grillo

WHAT IS ANGEL ALCHEMY?

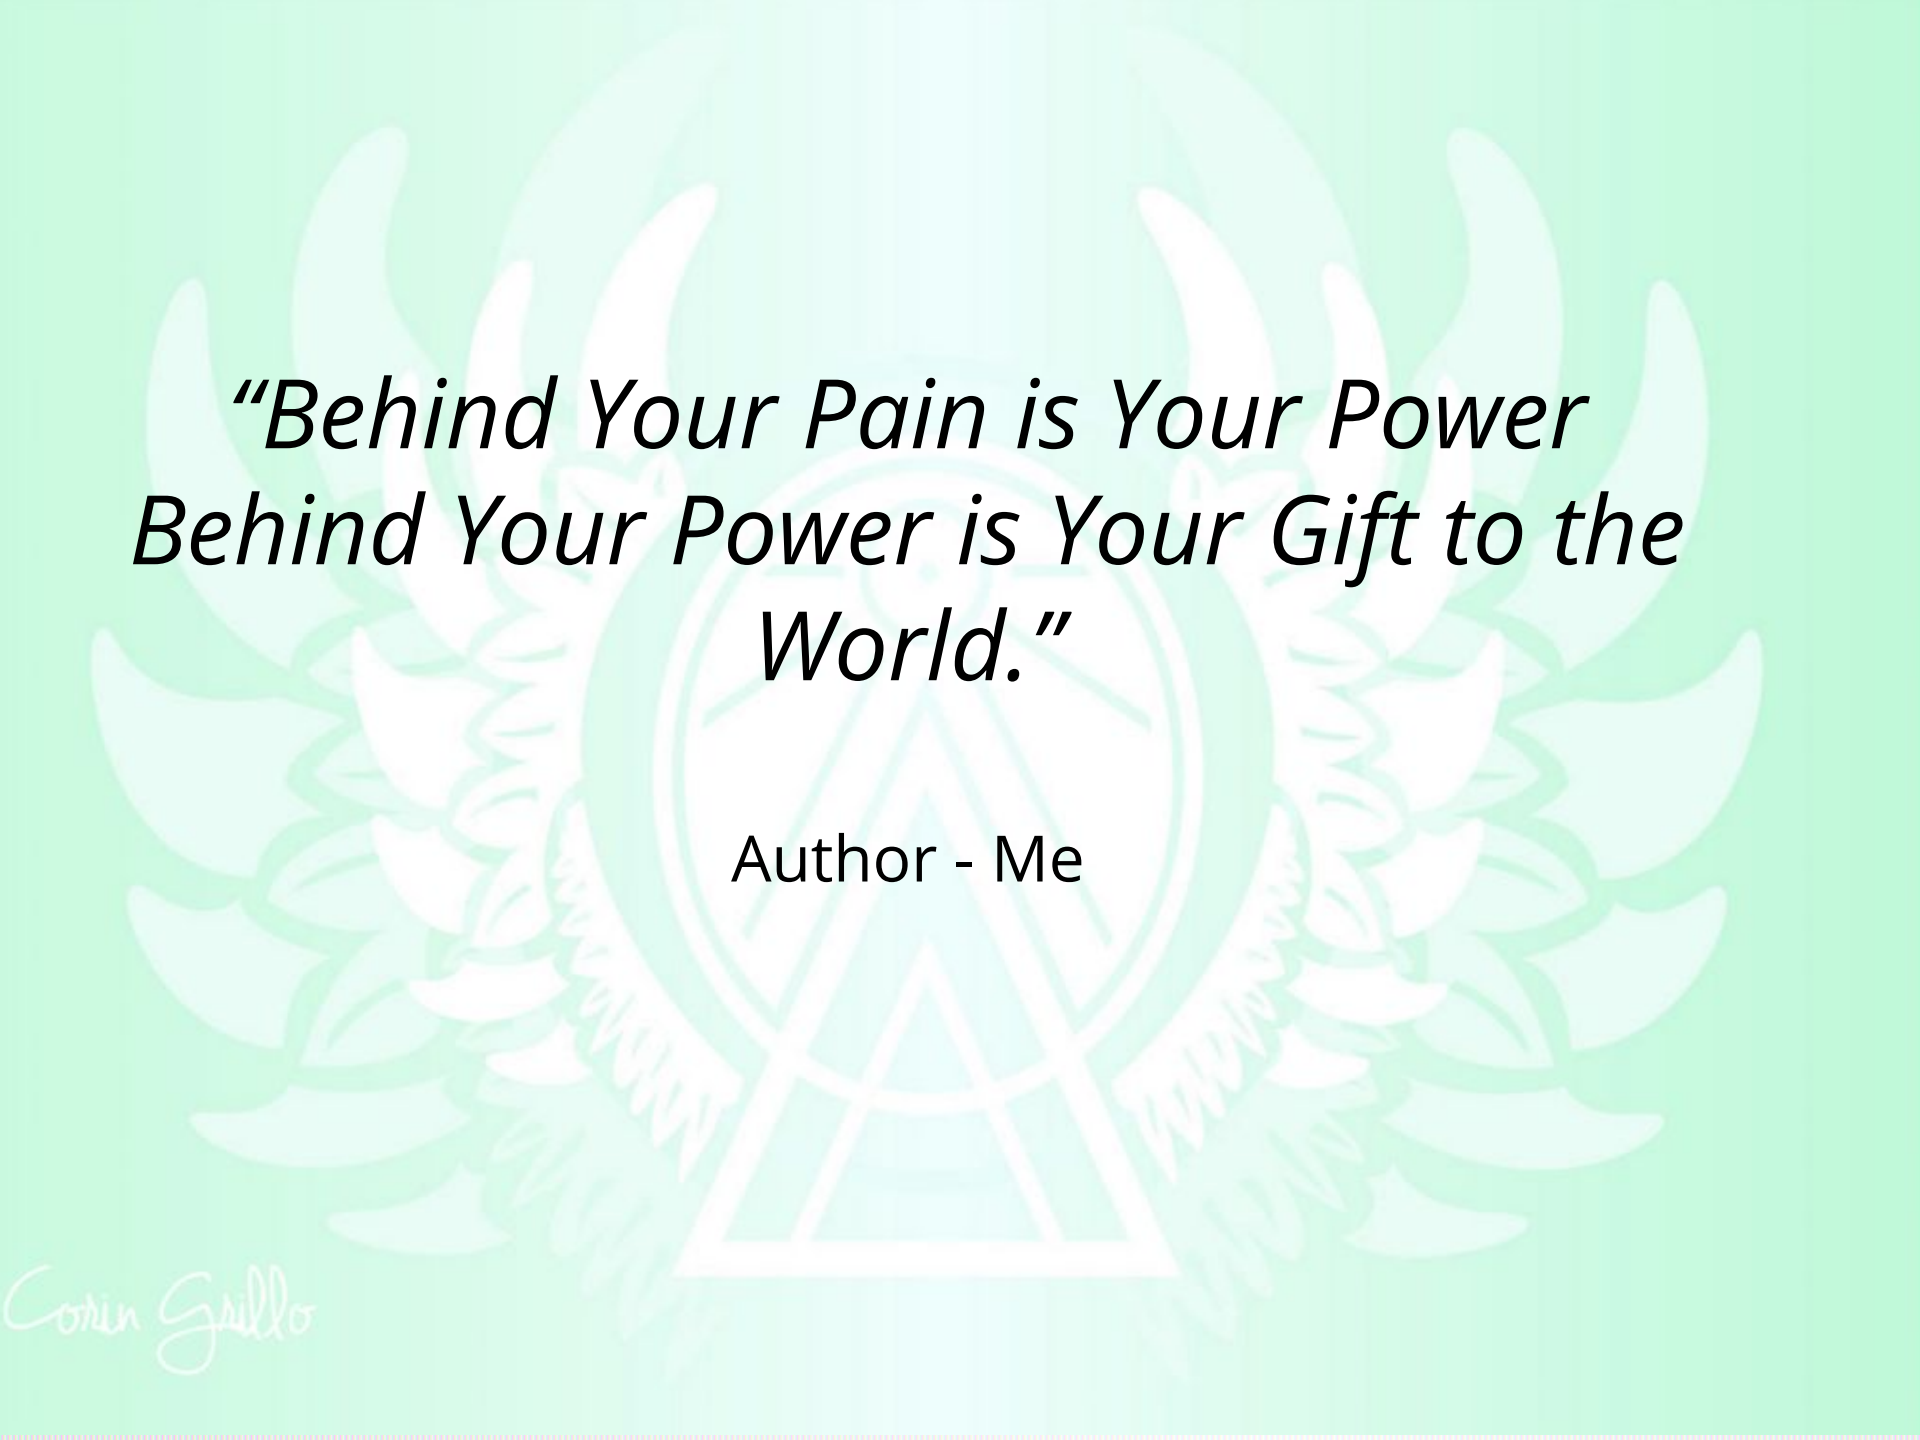

The art and science of invoking Source and Angelic Energy to produce DRAMATIC and RAPID healing in the deepest aspects of our hearts, minds, bodies, and lives.

A successful Angel Alchemist leans heavily on their intuition, their spiritual gifts, and their connection to the Divine in order to produce profound and often miraculous results.

DEFINITION OF ALCHEMY

1. A form of chemistry and speculative philosophy practiced in the Middle Ages and concerned principally with discovering methods for transmuting baser metals (lead) into gold and with finding a universal solvent and an elixir of life.
2. Any magical power or process of transmuting a common substance, usually of little value, into a substance of great value.

Behind Your Power is Your Gift to the

SAY YES TO THE FOLLOWING HEALING DOWNLOADS

Invoke the presence of the CREATOR, AA Haniel, AA Michael, and the Angels of Clairvoyance to enhance your spiritual/psychic gifts.

It is safe to use my spiritual gifts through the Creator of All That Is.

I am profoundly Clairvoyant.

I know how to trust my intuition through the Creator of All That Is.

I know how to hear the truth.

I know how to feel the truth.

I know how to trust what I see, feel, hear, and know.

I know how to see the chakras and auras of others with ease.

I know how to see my own chakras and aura with ease.

It's safe for me to be clairvoyant, clairaudient, clairsentient, and claircognizant.

I am ready and willing to now open up my highest spiritual and psychic gifts.
